

January 2025
Japanese Association of Clinical Laboratory Systems (JACLaS)
Jun Hachisuka, Managing Director

**Japanese Association of Clinical Laboratory Systems (JACLaS)
Now Soliciting Applications for Membership**

Greetings! I hope the start of 2025 finds you in good health.

You may already know that JACLaS, the Japanese Association of Clinical Laboratory Systems, is an industry association dedicated to serving society through its contributions to Japan's health and welfare, mainly by promoting the advancement of, and offering valuable information about, clinical laboratory systems to organizations and individuals in the medical and healthcare fields. One of our largest contributions is the annual JACLaS EXPO, the largest exhibition in Japan in the clinical laboratory field.

I'd like to take this opportunity to extend an invitation to join our association and help us as we continue to make a difference in our field. Below is our membership application guide. If your organization looks like a good fit, a membership in JACLaS could be of great benefit not only to you, but to our field as a whole. And on a more practical note, note that association members get a discounted rate when exhibiting at the JACLaS EXPO.

MEMBERSHIP DETAILS

Candidate Requirements

Any legally incorporated organization or group may join JACLaS if they agree with its objectives and intend to fully cooperate to further its aims, and fulfill the conditions for membership described below.

Annual Membership Period

January 1 to December 31

Entry Fee

¥80,000

Annual Membership Fee

¥20,000

Qualifying Period

Continuing membership is automatically granted as long as the annual membership fee is paid and the member has not notified the Association of its intent to cancel its membership.

Application Process

If you wish to become a member, please fill out the membership application form and send it to us by e-mail.
